Children's Dental Screenings

IT'S NEVER TOO EARLY TO TAKE CARE OF THEIR TEETH!

At Family Dental Innovations, we know that it's never too early to take care of your child's teeth – even when they're babies! Prevention and early intervention can help maintain healthy, happy smiles for a lifetime!

Take advantage of the following **FREE Offers** and visit us soon!

FREE Well Baby Dental Checkup

Bring your baby in for a complimentary oral exam and make sure that teeth are developing normally and staying healthy.

FREE "Happy Smiles" Preschool Visit

Get your pre-school age child comfortable at the dentist's office with our complimentary first time visit. Your child will see his or her teeth on TV, get instructions on proper tooth brushing and learn that going to the dentist can be fun!

To schedule your child's appointment, please call 317-703-1066.
